

JK8104 Resistor Controller \$49.95  
 4 ohm resistor, ideal for Hawk/Falcon/16d/S16d racing.  
 Quality, tough lexan handle, aluminium frame, silicon  
 cables and in-line fuse on the brake line.

# JK Products

## Hand Controller & Parts List

JK8080 Lexan Controller handle pair  
 \$10.95

JK80812  
 Controller Frame, anodised aluminium \$9.95

JK80813 Controller wiring loom complete  
 with resistor (silicon cables and inline fuse)  
 \$22.95

JK80814 Wiper arm with wiper Button \$2.50

JK80815 Controller spring \$1.25

JK80816 Controller contact with insulators and  
 Bolt. (Suitable for brake or full power contacts)  
 \$3.95

JK80817 Trigger contact, bushings, pivot  
 & fixings \$4.95

JK80818 Resistor bolt and nut \$1.25

JK80819 Handle bolts and nuts \$1.50

JK8081  
 Standard controller trigger  
 \$7.95

Please note;- Handle nuts are a little smaller than the seating in the handle  
 moulding. Use a small electrical screwdriver between the nut and the  
 moulding to prevent rotation.
